THE MATERIALS EXCHANGE  
PROGRAM

# Got Extra Materials? Someone Nearby Needs Them.

*What's extra for you could be everything for someone else.*

Brandau Home Services is asking Chicagoland to help spread the word. Extra appliances, exterior doors, faucets, electrical and plumbing fixtures, safety and accessibility items, and raw building materials don't have to sit around collecting dust — they can go toward making someone's home safer right now.

### Our Promise To You

Anything donated gets used in good faith toward someone who actually needs it — no games, no sitting around. We work through donations first come, first served, and fit these jobs into our normal work week alongside our paying jobs. It might not happen overnight, but it will happen.

### Help Us Get The Word Out

Post this up, hand it to a business owner, drop it off at a local restaurant — let's help our community together.
